(h) no sea front lot shall be used or classified as a convenience establishment or for general commercial activity;

(i) no commercial marinas shall be permitted on sea front lots nor adjacent to Dolphin Park;

(j) no dispensing of gasoline or other flammable liquid or material shall be allowed in West Landivar Zone;
(k) no bar, club, disco or other similar related activity shall be carried on in West Landivar Zone.

6. No lot in the West Landivar Zone shall be subdivided or combined without the prior written approval of the Council and the Ministry of Natural Resources.

Provided further that the required sixty six feet land reserve shall be maintained on all sea front lots within the West Landivar Zone.

7. A resident of West Landivar zone is allowed to give routine mechanical maintenance service to his personal vehicle or vessel in the West Landivar Zone.

8. No temporary building shall be erected or used on any part of a lot which, in the opinion of the Council and of the Local Building Authority is a nuisance, is abandoned, dangerous, neglected or presents a disturbance to the owners of adjoining lots or which will cause the lot to suffer a depreciation in its market value.

9. No person is allowed to encamp upon any part of a lot in the West Landivar Zone.

10. No material shall be deposited or mixed on any part of a street except in accordance with a permit from the Council.

11. (1) No livestock shall be allowed in West Landivar Zone.

(2) All domesticated pets shall be kept in safe custody at all times and shall not be allowed to roam freely and unleashed in public places.

12. (1) Residents shall nurture and preserve the mangroves and existing ecosystem along the sea.
(2) A person who destroys mangroves or interferes in any way with the natural ecosystem whether directly or indirectly commits an offence and shall be liable in accordance with the Forest (Mangrove Protection) Regulations, as amended, or in accordance with any other law having effect as part of the laws of Belize whether now or hereinafter in force, in respect of mangrove protection.

13. (1) Where an owner of a lot fills his lot he becomes liable for any damage caused to the streets or public property which may result from the use of heavy duty equipment or any other action taken in carrying out the filling of the lot.

(2) The owner of a lot shall ensure that all spills and debris caused by filling activity done on the lot are removed within 30 days of completion of the filling activity.

14. (1) A building plan for a proposed building within the West Landivar Zone, which is being submitted for approval, shall be accompanied by a plan for the septic tank and soak away.

(2) The owner of a lot shall ensure that every septic tank and soak away is inspected and approved by the City Engineer, the City Planner, the Public Health Department or any other authorized officer, during its construction, setting, and after its completion and prior to the sealing of the tank.

(3) Every septic tank and soak away shall be constructed to enable the overflow from the effluent pipe not to discharge or overflow into any gutter or open drain, but instead to discharge or overflow into a properly constructed soak-pit which shall be approved by the City Engineer.

15. No person shall demolish or pull down any building unless
(a) the owner receives a written approval of the Council or the Local Building Authority;

(b) the owner notifies the Council or the Local Building Authority fourteen days prior to the intended date of demolition or pulling down;

(c) all arrears of property fees with respect to the building have been paid up and a statement to this effect is issued by the Council.

16. No person shall enter into occupation of a new building or a newly refurbished building without a certificate of occupancy, issued by the Local Building Authority and in accordance with the provisions of the Belize Building Act, as amended.

17. No commercial vessel shall be moored or docked in any water way within the West Landivar Zone.

18. The owner of a lot shall ensure that his lot is maintained free of weeds and garbage.

19. The Council shall work closely with the Residents and the Ministry of Natural Resources to ensure that all canals, waterways and the shoreline within the West Landivar Zone are protected from environmental and coastline damage.

20. The City Engineer may in the first instance, issue a notice to any person who does not comply with any of these By-laws requesting compliance with any of the provisions of these By-laws within a minimum of 14 days or as may reasonably be prescribed by the City Engineer.

21. A person who contravenes any of these By-laws after notice has been issued under By-law 20 above, commits
an offence and is liable on summary conviction to a fine not exceeding five hundred dollars and thereafter a fine of one hundred dollars for every day that the offence continues.

22. A lawful non-confirming use of any lot, land, building or structure in the West Landivar Zone existing prior to the commencement of these By-laws shall be deemed not to be in contravention of these By-laws.

23. These By-laws shall not prejudice any other relevant and applicable laws as the case may be.

24. These By-laws shall come into force upon publication in the Gazette.

MADE by the Belize City Council this 7th day of January, 2010.
