

**CONCERNS AND REQUESTS FROM THE PUBLIC AT THE 3rd MONTHLY MEETING FOR THE NEW FISCAL YEAR**

**DATE June 22<sup>nd</sup>, 2010, Gwen Lizarraga High School, Collet Division**

<b><u>S. No.</u></b>	<b><u>PUBLIC MEETING CONCERNS/REQUESTS</u></b>	<b><u>TASK DONE</u></b>	<b><u>STATUS</u></b>
<b>1</b>	Mr. Aaron Humes of #6 George Street queried about the Barrier placed across Treasury Lane and Regent Street. He wanted to know the reason of it being there and if our Traffic Department is responsible for it being there.	Mr. Humes was informed that a meeting was called by the Court in the Chief Justice's chambers and our Traffic Department was invited to be a part of it. From said meeting that barrier and other security measures are being put in place as security measures for the Court. He was also informed that the barrier is only there on a trial basis.	Completed
<b>2</b>	Ms. Fay Loffter of #7511 Rio Grande Crescent complained about the waterholes still on Rio Grande Crescent. She mentioned that they really glad work has begun, but hopes that it will soon be completed.	Ms. Loffter was informed by our Works Manager Mr. Menjivar that works are scheduled to be completed as soon as a part for the grader is brought in from abroad.	Pending
<b>3</b>	Ms. Yvonne Forbes Bowen of 7533 Rio Grande Crescent had a similar complaint as Ms. Loffter, when will work continue on Rio Grande Crescent. She complained of the big rocks on the street that is dangerous when riding your bicycle. (ii) Ms. Bowen also complained about the clogged drains.	Ms. Forbes was informed about the grader being down and the Department awaiting a part to fix it and get it working again. Regarding the drains, BML has been informed and they are to conduct works in that area according to their schedule.	Pending
<b>4</b>	Ms. Denise Flowers of 19 Woods Street informed that the residents of Woods Street are glad that the street was paved, but complained that the street is breaking away from the drain. (ii) Ms. Flowers also made a plea for something to be done to those who go into Constitution Park and smoke Marijuana and behave in-appropriately.	The Works Manager Mr. Menjivar informed that the drains are being worked on; it's just that the spoils from the drain aren't being picked up. He informed that BML will have to be called on to take care of that problem. (ii) Regarding the Park the Mayor asked Mr. Kenroy Usher to meet and work with the Police Department to see how best we can keep these people from being in our parks influencing our children negatively.	On-going
<b>5</b>	Mr. Michael Enriquez of 7024 Pelican ext complained about the condition of the Foot Ball field on Raccoon Street. He says it needs help with lights, surfacing, and painting of the bleachers. He also asks that the Council formally inform the Public the Mr. Kevan Jenkins is still with the Council and still our Traffic Manager.	The Deputy Mayor pledged to assist with the painting of the bleachers, and noted he would see of the City Engineer can assist with the surfacing, even though we're not certain who is responsible for the upkeep of said field; Councilor Faber also indicated that he would work with National Sports Council to see how they can assist.
